that CRC is the place that students can thrive as they grow academically and spiritually. We believe all students can benefit from their experience at CRC as they create memories that will last a lifetime.

A past CRC fundraising appeal letter used the following as a theme: “Let’s keep the momentum and progress going at CRC.” Progress is a word often spoken around our campus that speaks to the direction and public perception of the institution. The definition of progress is “to develop in a positive way” and that is exactly what is happening at CRC.

It is an exciting time at CRC as we progress and meet challenges as they come our way. Generous donors have provided almost $1,000,000 over the last few years to dramatically transform the CRC campus. A new Student Center and the new Johnson Honor Housing facility have benefited CRC students. Other major improvements include the paving of College Drive and the creation of three paved parking areas for students, new college entrance sign, softball field re-construction, renovation of the Carter Activities Center including the installation of a new heating and cooling system. Fiber optic cable has been installed campus wide and numerous campus technology upgrades have been made, including wireless internet all over campus. Donors have expressed their desire to see CRC progress by investing their human and financial resources. CRC is blessed to have donors who will generously make gifts to see major improvements financed and then make additional gifts for annual support.

As we reflect on the historical significance of the past 50 years, I am so glad that the Lord has chosen to bless CRC in so many ways. This wonderful ministry continues to enrich the lives of the students it serves as it prepares individuals for lives of faith and service. As we look to the next 50 years with eager anticipation, I pause to wonder what the Lord has in store for CRC. “For I know the plans I have for you,” declares the Lord, “plans to prosper you and not harm you, plans to give you hope and a future.” (Jeremiah 29:11)

The success of a Christian endeavor, such as CRC, lies in the support of its alumni and friends, for which we are thankful.
Why CRC?
We asked these six students why they chose CRC

Willie Laughary
Freshman Bible Major
West Plains, Missouri

“A friend recommended CRC and I liked the fact that it’s smaller, because I’m kinda shy. And, growing up at Crowley’s Ridge Youth Camp in the summers made CRC feel like I was coming home.”

Hannah Killian, Freshman
Bentonville, Arkansas

“I wanted to play volleyball, so I came to CRC and met Coach Henry. She is really awesome. Also, I graduated from a large high school 600+ in my class, so I can do a lot more here because it’s smaller. I’ve already made more close friends at CRC than I had in high school.”

Fall 2014 begins!
Many new faces arrived at Freshman Orientation on August 20-22. Meet and
greet activities and finalizing class schedules were the main focus of the days.

Wesley and Wilson Teague
Freshmen
New Boston, Texas

“We wanted to play baseball and came to CRC and loved the environment. It really feels like home.”

Tristin Clayton, Senior
Jaime Clayton, Freshman
Paragould, Arkansas

Tristin says, “I love the Christian environment CRC provides. Everyone is friendly and close, and the teachers and staff are very helpful.” Jaime adds, “I saw how much Tristin loves CRC and wanted to join her. We even get to play basketball together for the Pioneers. I also see the great opportunity it is to continue growing in Christ.”
Including Crowley's Ridge College in your Will through a simple bequest is one of the most popular ways to make a gift through your estate. This allows you to take care of your family and loved ones first, as well as, continue the work of this much needed, Christian, higher learning institution. Imagine the impact that you and many others could have on CRC through a planned gift through your Will or estate plan. Such thoughtful, larger gifts are needed to help CRC expand our educational offerings and to be able to build new structures, such as an educational classes/offices facility, new dormitory, Bible building and to expand other buildings. We also are looking to improve many aspects of the campus; including our cafeteria, athletic fields, and a variety of improvements to help with the overall beautification of our campus.

**SAMPLE WILL LANGUAGE**

The following are recommended clauses that may be used to make a gift to Crowley’s Ridge College through your Will. These clauses are only examples and may be changed to better align with your charitable giving preferences. Of course, taking care of the interests of your family and other loved ones always comes first in estate planning. We suggest that you always contact your attorney for proper legal advice.

**GENERAL BEQUEST**

I give and bequeath _________________ dollars ($________ ) to Crowley's Ridge College, a not-for-profit organization incorporated in the State of Arkansas, the principal office at 100 College Drive, Paragould, Arkansas, for its general purposes.

**SPECIFIC BEQUEST**

I give, devise, and bequeath all my right, title, and interest in and to (describe the specific property), to Crowley's Ridge College, a not-for-profit organization incorporated in the State of Arkansas, the principal office at 100 College Drive, Paragould, Arkansas, for its general purposes.

**RESIDUARY ESTATE**

I give my residuary estate, which is all the rest, residue, and remainder of my property, real and personal, of every kind and description and wherever located (including all legacies and devises that may for any reason fail to take effect), belonging to me at the time of my death or subject to my disposal by Will to Crowley's Ridge College, a not-for-profit organization incorporated in the State of Arkansas, the principal office at 100 College Drive, Paragould, Arkansas, for its general purposes.

**ENDOWMENT BEQUEST**

I give, devise, and bequeath (describe the specific property or amount) to Crowley's Ridge College, a not-for-profit organization incorporated in the State of Arkansas, the principal office at 100 College Drive, Paragould, Arkansas, to establish an endowment fund (to be known as the ______________ Fund); the principal amount to be invested and the annual income to be used for Institutional Scholarships or the General Fund of Crowley's Ridge College.

**CODICIL**

Having hereinbefore made my Last Will and Testament dated and being of sound mind, I hereby make, publish and declare the following Codicil thereto; (here insert clause in same form as if it had been included in body of Will). Except as hereinbefore changed, I hereby ratify, confirm and republish my said Last Will and Testament.

If you would like more information about including Crowley's Ridge College in your Will or estate plan, please feel free to contact me at your convenience. It has been my pleasure and privilege to work with nonprofit organizations and churches for more than 28 years, with much of that work being devoted to charitable estate planning and planned giving. As I meet with our donors and friends about their estate planning needs, I also frequently work with other planning professionals (attorneys, financial planners, insurance, etc.) to help address questions regarding updating a person's will or trust, or working with retirement assets, insurance, annuities, titling assets, long-term care planning, etc.

I am happy to visit with you in your home, church or any convenient location at no charge. I will do my best to help you determine if your current Will or estate plan is still current and explore all available options to meet the estate planning needs for you and your family and also, heirs and loved ones. If you have an interest, we can also discuss how you can make a much needed gift to Crowley's Ridge College and possibly do so by redirecting taxes from the government to CRC or the church or other favorite charity. CRC's charitable estate planning services are FREE and completely CONFIDENTIAL.

Richard Johnson, MNM (CRC '84) • Vice President for Advancement • rjohnson@crc.edu
Crowley's Ridge College is blessed with a wonderful family of supporters. The next few pages are CRC's “Honor Roll Listing of Donors” followed by those giving “Memorial & Honor Gifts” for special friends and loved ones. This listing represents gifts from $5 to $82,000 from Oct 1, 2012 through Aug 27, 2014. We plan to feature an Honor Roll of Donors and Memorial & Honor section in each of our future CRC Insider publications. CRC would not be possible without generous support of those in this listing. Thank you for making this wonderful Christian ministry possible and helping us to bless our students each day.
