The Bachelor of Arts in Biblical Studies is designed to equip students for full-time Christian ministry, such as preaching, teaching, evangelizing, and to prepare them for graduate work in biblical and related areas.

3 REASONS TO MAJOR IN BIBLE AT CRC:

1. **Generous half tuition scholarships for all Bible majors who qualify.**

2. **Numerous preaching opportunities in area congregations.**

   The Dean of Students coordinates with several local congregations willing to open up their pulpits, giving CRC Bible majors valuable real-life experience.

3. **Smaller class sizes and individualized attention.**

   For example, the amount of Greek usually taught in one year is spread out over four semesters, giving students more class hours and more time to absorb the material.
