ALL INCLUSIVE PRICING FOR SPECIAL SHORT COURSES?
The total all-inclusive price is $309 for the three credit hour course and it includes all tuition, registration fee, activity fee, technology fee, parking fee, special assessment fee, and book rental. This special pricing is being made available as a public outreach of Crowley’s Ridge College in its efforts to hold down the cost of a college education and to make the CRC experience affordable. (These 3 credit hour classes taken at public universities within a 300 mile radius of the CRC campus could easily cost $1,000 and up per class. These 3 credit hour classes taken at private universities within a 300 mile radius of the CRC campus could easily cost $2,000 and up per class.) CRC’s price also includes book rental. Most Universities will require students to purchase books which can add $150 and more for each class. This special pricing is also made available because of special gifts that are made to CRC by generous donors.
