

The Jennie Sue Eubanks Cafeteria is a popular place at Crowley's Ridge College as students enjoy delicious meals to meet their busy schedules in the morning, midday, and evening. We are happy that guests often stop by and enjoy meals during the week. Sunday lunches are special too, as many community guests join us for some delicious home style cooking while school is in session. Our daily menu features numerous healthy and delightful choices from a hot food bar, pizza bar, sandwich bar, salad bar, desserts, and more!

Furnishing commercial appliances, other needed equipment, and food service items within a cozy, nicely decorated cafeteria is an expensive undertaking. Please join us in contributing toward the expenses of equipping, maintaining, improving, and providing excellent staff for the Jennie Sue Eubanks Cafeteria.
