

Any program, project, or need at Crowley's Ridge College can be funded in part or whole with a financial contribution given as a memorial or honor gift. Many supporters of CRC provide gifts for numerous areas by sending a financial contribution as a memorial or honor gift, earmarked for a particular area of interest to the donor.

- A memorial gift can be given to remember a loved one who has passed away by making a gift in his or her memory designated for general needs or for a specific program, project, or other area.
- An honor gift can be given to honor a friend, mentor, or loved one at any time of year in celebration of a special occasion such as an anniversary, birth, birthday, graduation, wedding, or for achieving some other milestone or special recognition. The honor gift can be designated for general needs or for a specific program, project, or other area.

CRC will personalize an appropriate card notifying the person(s) of your memorial or honor gift without disclosing the gift amount. All memorial and honor givers will be sent a thank you letter and a receipt, and will be listed in a special section of *The Insider*, a bi-annual newsletter.
