------------	-----------------	---------------------	------------	-------------------

Primary Thematic Concentration (30 hours)

Secondary Thematic Concentration (18 hours)

Electives (25 hours)

The divisions of Crowley's Ridge College cooperate to offer this interdepartmental degree. This major allows a student to build his/her own program of study plan based on interests that may not be met by any single current major. Students interested in this major should contact the appropriate advisor from the division of the intended primary area. This plan requires the approval of the primary advisor, other academic advisors involved with the plan, and/or an academic administrator of the primary concentration area. Graduation requirements include 120 hours with an overall GPA of 2.0, a 2.0 in the primary thematic concentration area (minimum 30 hours), and a 2.0 in the secondary thematic concentration area (minimum 18 hours). In addition, all CRC graduation requirements apply, including completing and passing 45 hours of upper-level coursework (courses numbered 300 and higher at CRC). At least one 400-level class or an approved 300-level alternate that is designated by the academic advisor is also required. This requirement may be met with the capstone course within the division or department of the primary concentration. **A summative experience is required as part of this degree.** This summative experience is fulfilled through the General Education Capstone course. This program of study may not be used as a second major or degree. Courses from the core requirements (courses numbered less than 300) will not count towards the primary or secondary thematic concentration.
