

The founders of Crowley's Ridge College strongly desired to assist congregations through the work of CRC graduates. They envisioned CRC alumni laboring with congregations as preachers, teachers, song leaders, and mission workers. They knew many students would begin their Christian families soon after college and become active members in hundreds of congregations. Those dreams have come true many, many times through the lives of CRC students. In fact, many students have met their spouses while enrolled at CRC.

Today, numerous CRC alumni currently serve as preachers and youth ministers among congregations in northeast Arkansas and southeast Missouri. Graduates currently serve or have served in full-time ministry for congregations in 25 states. Students and alumni have done mission work in 20 countries on six continents.

Part of the reason for such Christian success is because of our Bible program. CRC's Division of Biblical Studies offers the Bachelor of Arts in Biblical Studies degree with an opportunity to specialize in one of the following areas:

- New Testament Greek
- Christian Leadership and Management
- Youth and Family Ministry

Providing a strong Bible program requires financial support to hire qualified Bible and ministry staff, Biblical materials, training, technology, faculty/student led ministry events, and field trips. Please join us in contributing toward our Bible program with annual or planned gifts. Perhaps you want to discuss establishing a Bible Endowment Scholarship Fund to assist students in the above Bible degree areas.
