

The Business program of Crowley's Ridge College does an exceptional job of preparing students to pursue numerous opportunities in the business industry. Our Business program is focused on helping students utilize their talents in planning for successful business careers while serving with a Christian focus, supported by excellent standards and integrity.

CRC's Division of Business offers students the opportunity to work closely with faculty, staff, and their fellow students to acquire the knowledge and skills needed to thrive in a modern business environment. Students interested in a business degree may choose from the following degree options:

- Bachelor of Science in Business Administration
- Bachelor of Science in Marketing
- Bachelor of Science in Sports Management

Find out more about the requirements needed to complete these three Business degree programs at <https://crc.edu/business-division/>.

If you think any of these business degree concentrations fit in your future plans, please make an appointment with us for more information. We would love to visit with you and show you around campus.

Providing a strong Business program requires financial support to hire qualified Christian Business faculty and staff, and for books, materials, training, and business field trips. Please join us in contributing toward our Business program with annual or planned gifts. Perhaps you want to discuss establishing a Business Endowment Scholarship Fund to assist students in the above business degree areas.
