

Crowley's Ridge College awards our students approximately \$950,000 each year to provide various types of scholarships, such as Bible, Academics, Athletics, Transfer College Students, and several other types of scholarships. Of this total annual scholarship dollar amount, approximately \$750,000 is not currently funded, which means this money has to be provided by CRC out of operational funds. Another consideration is the \$750,000 is not available for other areas such as improving degree programs, technology, or facilities. CRC is working to change that as we visit with individuals, churches, businesses, foundations, and others.

Without CRC's assistance, we believe many of these students would not have the opportunity to attend college. The unique, personable Christian environment that CRC provides is a key reason for their college success.

Please use this link <https://crc.edu/donations/> to help CRC cover the cost of the current unfunded portion of scholarships.

We also have friends who contribute a larger gift to set up a permanently restricted endowment fund. Only the interest or a portion of the interest is used for a particular scholarship area. Perhaps you have an interest in supporting CRC students with a restricted endowment fund. I would be happy to visit with you and discuss various options and needs for this type of gift.

Please email President Richard Johnson at [president@crc.edu](mailto:president@crc.edu) to learn more about what is involved in establishing a restricted endowment fund for your preferred scholarship interest.
