

The Teacher Education program of Crowley's Ridge College offers students opportunities to serve the community as highly qualified and morally sound educators. We prepare our graduates to effectively teach and lead with the commitment of increasing the levels of student achievement with all types of school districts.

CRC's Division of Teacher Education offers the following degree options:

- Bachelor of Science in Education in K-6 Elementary Education
- Bachelor of Science in Education in K-12 Physical Education/Coaching

If you think being an educator fits in your future plans, please make an appointment with us for more information. We would love to visit with you and show you around campus.

Providing a strong Teacher Education program requires financial support to hire qualified Christian faculty and staff, and for books, materials, training, supervising field placement students their senior year, and education related field trips. Please join us in contributing toward our Teacher Education program with annual or planned gifts. Perhaps you want to discuss establishing a Teacher Education Endowment Scholarship Fund to assist students in the above Teacher Education degree areas.
