Crowley's Ridge College ENDOWED SCHOLARSHIPS

Students at Crowley's Ridge College are blessed to receive a variety of scholarship awards to reduce their cost of receiving a Christian college education. Academic scholarships are awarded to students with higher and above average high school GPAs. Scholarships are awarded for specific degree areas in Bible, Business, Teacher Education, or for funding our Student Success Center to help them succeed in academics and other areas. Athletic scholarships fund a specific men's/women's sports program. Christian Service scholarships are available, including multiple working scholarships, or for students with greater financial need. Endowment funds are also needed for other areas such as campus ministry, new degree programs, current facilities improvements, new facilities and campus improvements, and maintenance. We are happy to discuss your interest in funding any of these or other endowment areas that may be of interest to you.

An endowment fund is an excellent way to leave a lasting legacy, benefiting future students as they pursue their college degrees. CRC has seen a variety of students grace our campus; students who had no shortage of options when choosing a college or university to attend; students who were not interested in a large college or university setting; and students who needed more personalized one-on-one attention to help them succeed.

Many thoughtful and generous donors are supportive of the extraordinary experiences available for students at CRC and have established the following Scholarship Endowment Funds. Crowley's Ridge College is very appreciative of these donors and recognizes the lasting impact their gifts have in providing funds to current and future students.

Bud and Rovene Barron Bible and Mission Endowment: Established by Bud and Rovene Barron to fund Bible scholarships and student missions.

Morris S. and Alma L. Bills Endowment: Established by Larry and Sara Bills in honor of Morris and Alma Bills to fund general scholarships.
